A scholarship is considered by ASME to be a grant made to a student to enable or assist the student in pursuing an educational program in mechanical engineering or mechanical engineering technology at the undergraduate or graduate level.

At a Glance:

- Only ASME undergraduate or graduate student members in good standing are eligible for academic scholarships.
- ASME student membership is required to login to the online application system. Join ASME or Renew your membership.
- Applicants must be accepted and enrolled in an ABET accredited school for the upcoming academic year starting in the fall.
- Complete only one application for all ASME Scholarships in this group.
- Students must apply again each year.

All ASME scholarships are available to ASME student members anywhere in the world except where subject to constraints as noted

(1) Amount subject to availability of funds

(2) Number of scholarships awarded subject to availability of funds

(3) Applications are accepted in the year prior to eligibility for full-time college study

(4) See description for complete general & specific constraints
