All ASME scholarships are available to ASME student members anywhere in the world except where subject to constraints as noted

(1) Amount subject to availability of funds

(2) Number of scholarships awarded subject to availability of funds

(3) Applications are accepted in the year prior to eligibility for full-time college study

(4) See description for complete general & specific constraints

or *Global Eligible* indicates that the scholarship has no citizenship or geographic requirements and non-US students are eligible for consideration

NOTE: Students in countries restricted by U.S. State Department regulations are not eligible
