JMD Webinar: Announcement of the Ninth Thematic Session
Emerging Technologies and Methods for Early-Stage Product Design and Development

ASME Journal of Mechanical Design

Register for FREE Webinar

The JMD Webinar is a series of webinars organized quarterly by the Editorial Board of the ASME Journal of Mechanical Design (JMD) serving the engineering design research community. Our intention is to share the latest research published in the journal, and by doing so, to keep our community connected.

This JMD webinar will include two sessions: (1) a 90-minute Zoom webinar session in which four selected papers will be featured with presentations and Q&As, and (2) an optional 30-minute gather.town session for further discussion/networking among speakers and seminar attendees.

For more information and to register, please visit the JMD Webinar site
For any questions, please email jmdwebinar@gmail.com
