

CREATING CAREER PATHWAYS FOR COMMUNITY COLLEGE STUDENTS

STUDENT BENEFITS

**FREE
MEMBERSHIP**

WORKSHOPS

ASME workshops offer practical information with hands-on experiences in areas of career readiness, professional development, and technical certifications.

SCHOLARSHIPS

ASME awards over \$500,000 in scholarships each year. You only have to complete one application to be considered for all the eligible scholarships. Some scholarships are specific for part and full time community college students.

WORK BASED LEARNING & INTERNSHIPS

ASME offers a project-based experience for first year students and will help you prepare for and connect you to potential internship opportunities specifically for community college students.

STUDENT COMPETITIONS

ASME's student competitions and educational seminars are virtual, global outreach and in-person regional events that offers challenging competitions, skill-building workshops, and networking opportunities for college students.

CONNECTIONS & NETWORKING

ASME provides opportunities for you to connect with peers, professionals, and employers for networking, career advice and guidance, internships, and job placement.

CAREER RESOURCES

With your ASME membership, gain access to job market intelligence, job board, mentorships, and career transition support.
