CALL FOR PAPERS

ASME Journal of Energy Resources Technology

Special Issue on Energy Sustainability: Dedicated to the 16th ASME International Conference

The Special Issue covers a selected group of papers from the 16th ASME International Conference on Energy Sustainability, which was held in Philadelphia, PA on July 11-13, 2022.

Topic Areas

- Sustainable buildings and cities
- Energy storage
- Concentrating solar power
- Energy conversion systems
- Distributed energy systems
- Emerging and hybrid technologies

Publication Target Dates

Paper submission deadline	February 15, 2023
Initial review completed	April 17, 2023
Special Issue publication date	October 2023

Submission Instructions

Papers should be submitted electronically to the journal at journaltool.asme.org. If you already have an account, log in as author and select **Submit Paper** at the bottom of the page. If you do not have an account, select **Submissions** and follow the steps. In either case, at the **Paper Submittal** page, select the [ASME Journal of Energy Resources Technology](#) and then select the Special Issue **Energy Sustainability: Dedicated to the 16th ASME International Conference**.

Papers received after the deadline or papers not selected for inclusion in the Special Issue may be accepted for publication in a regular issue.
