SOCIETY POLICY

POLICY AGAINST DISCRIMINATION (INCLUDING DISCRIMINATORY HARASSMENT) - MEMBERS

I. PREFACE

A. Discrimination (including discriminatory harassment) by a member of ASME against any other member or ASME employee or job applicant on the basis of race, color, religion, ethnicity, sex (including pregnancy), national origin, age, gender identity and expression, sexual orientation, genetic information, citizenship status, disability, military status, marital status, conviction record, status as a victim of domestic violence, credit information, caregiver status, political affiliation, weight, height, matriculation or failure to comply with any state or local equal employment opportunity laws, shall not be tolerated.

B. Discrimination (including discriminatory harassment) by a member of ASME against an individual who is neither a member nor an employee or job applicant of ASME on the basis of the protected classes listed in Section I.A., is also of concern to ASME when the conduct occurs on ASME premises or during an ASME activity.

C. Conduct in violation of this Policy is grounds for discipline by ASME, up to and including expulsion from membership.

II. PURPOSE

A. To state the ASME policy against discrimination (including discriminatory harassment) by members.

B. To describe the types of conduct prohibited by this Policy.

C. To establish a procedure for dealing with violations of this Policy.

III. POLICY

A. ASME prohibits discrimination on the basis of the protected classes listed in Section I.A. with respect to any decision or recommendation made by a member concerning (a) the participation of another member in an ASME activity or (b) the hiring, performance evaluation or a work assignment of an ASME employee.

B. Prohibited discriminatory conduct also includes conduct by a member that constitutes harassment based on the protected classes listed in Section I.A.

1. Examples of such conduct are racial or ethnic slurs and threatening, intimidating or hostile acts directed at a particular sex or religion, or directed at a member or ASME employee because of his or her national origin or color.

2. Harassment does not require an intent to offend. Thus, when unwelcome by the recipient, certain conduct meant as a joke, a prank, or even a compliment can lead or contribute to harassment.
C. Sexual harassment is a specific type of discriminatory harassment. ASME prohibits conduct that constitutes sexual harassment.

1. Unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature constitutes sexual harassment for purposes of this Policy when:

   a. Submission to such conduct is made explicitly or implicitly a term or condition of an individual's work assignment at ASME or participation in any activity of ASME;

   b. Submission to or rejection of such conduct by an individual is used as the basis for decisions or recommendations affecting such individual's employment at ASME or participation in any activity of ASME; or

   c. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance at ASME or participation in any activity of ASME.

2. No member with a leadership role is at any time to (1) threaten or imply that an individual's submission to or rejection of a sexual advance will in any way influence any decision, recommendation or evaluation regarding that individual's employment at ASME or participation in any activity of ASME; or (2) make any decision or recommendation concerning an individual's employment at ASME or participation in any activity of ASME on such a basis.

D. Other conduct by members in ASME's workplace or in connection with any ASME activity that creates or could lead or contribute to an intimidating, hostile or offensive work environment, whether it be in the form of physical, visual or verbal harassment, is also prohibited. Such conduct includes, but it is not limited to:

1. repeated unwelcome sexual flirtations, advances, gestures, or propositions;

2. verbal abuse of a sexual nature;

3. graphic verbal comments of a sexual nature about an individual's body;

4. sexually degrading words used to describe an individual;

5. the access to, or display or distribution of, sexually suggestive objects or pictures (including via the use of computers); and

6. inappropriate touching of an individual.
E. ASME also prohibits retaliation against any ASME member for making a good faith report or complaint of an alleged violation of this Policy, or for participating in an investigation of such a report of complaint, under the procedures set forth below.

IV. PROCEDURE

A. Any alleged violation of this Society Policy should be reported to either the Executive Director/CEO or any member of the Executive Committee of the Board of Governors or ASME Human Resources who shall promptly notify the full Executive Committee. The Executive Committee shall initially determine whether the alleged violation shall be addressed through this Policy or Policy 15.4 “Ethical Conduct Violation Procedures” or Policy 15.7 “Ethics” or Policy 15.8 “Conflicts of Interest” or Policy 15.14 “Code of Conduct.” There may be situations where actions are taken pursuant to one or more Society Policies.

B. Any member who believes that they have been subjected to any behavior by any ASME member or employee that violates this Policy should immediately bring the matter to the attention of the appropriate individual as set forth in paragraphs 1. and 2. below. Members who have information about conduct violative of this Policy directed toward other members or any ASME employee are also encouraged to report the relevant facts pursuant to this Policy. Prompt reporting is very important so that ASME can take action to stop the conduct before it is repeated.

1. If the alleged victim and the alleged offender are members who are not employees of ASME, the complaint should be made to either the Executive Director/CEO or any member of the Executive Committee or ASME Human Resources who shall promptly notify the full Executive Committee. Those individuals (and any other chair, leader, or senior vice president who may receive information concerning the existence of such a complaint) should immediately report the complaint to the Executive Director/CEO, regardless of whether the complaint was written or oral.

2. If either the alleged victim or alleged offender is an employee of ASME, the complaint should be brought to the attention of the Executive Director/CEO or ASME Human Resources. If the alleged offender is an employee of ASME, the procedures set forth in Sections IV.C. and IV.D. for handling the complaint will not apply. Instead, the Executive Director/CEO will report the complaint to ASME’s Human Resources Department, and the complaint will be handled in its entirety in accordance with ASME’s Employee Handbook (the applicable section(s) of which shall be available to any member upon request). If the alleged victim is an employee of ASME but the alleged offender is a member, the complaint will be handled in accordance with ASME’s Employee Handbook, except that upon determining that this Policy has been violated, the Human Resources Department will report that determination to the Executive Director/CEO, who will decide whether disciplinary measures are appropriate in accordance with Section IV.D.4. below, and Sections IV.D.5. and IV.D.6. below will also apply.
3. If either the alleged victim or alleged offender is neither a member nor an employee of ASME, but the alleged incident occurred on ASME premises or during ASME activities, the Executive Director/CEO shall, based on the circumstances, determine what, if any, action should be taken. If the alleged incident did not occur on ASME premises or during ASME activities, the Executive Director/CEO shall inform the complainant that ASME has no jurisdiction and will accordingly take no action.

C. Upon receiving a report of an alleged violation of this Policy by a member against another member, the Executive Committee shall proceed as follows:

1. The Executive Committee shall decide whether an attempt should be made to resolve the complaint via communication with the complainant and the alleged offender (“facilitation”). If they decide to pursue facilitation, an individual selected by the Executive Committee shall serve as the facilitator. Should facilitation result in resolution, the resolution agreed to by the complainant and the alleged offender shall be committed to writing and signed by both parties.

2. If the Executive Committee decides that the matter should be formally investigated (whether or not it is referred to facilitation), the complainant will be informed and should promptly forward to the Executive Director/CEO a signed complaint detailing the allegations. In such a case, the procedures set forth in Section IV.D below shall apply.

3. Notwithstanding any other provision of this Policy, the Executive Director/CEO, President or the Board of Governors may investigate any report of an alleged violation of this Policy (whether or not the complainant has submitted a signed complaint).

D. An investigation of any complaint submitted pursuant to Section IV.C.2. shall proceed as follows:

1. The Executive Committee will investigate or appoint another individual to investigate. The investigator will conduct interviews of the complainant, the alleged offender and other individuals as necessary.

2. After completion of the investigation, the investigator will make a written report to the Executive Committee, who will determine whether this Policy has been violated.

3. If the Executive Committee determines that this Policy has not been violated: (i) the complainant and alleged offender will be so informed; (ii) any written records concerning the investigation will be kept by the Executive Director/CEO in a confidential file for three years and will be destroyed at the end of that period if
within that period no similar complaint against the alleged offender has been found to be valid; and (iii) no further action will be taken.

4. If the Executive Committee determines that this Policy has been violated, it will further determine any appropriate remedial measures and/or disciplinary measures, up to and including expulsion from ASME, and inform the offender and the Board of Governors of its determination in writing. Any decision to expel a member from the Society shall be referred to the Board of Governors in accordance with By-Law B3.3. The Executive Committee will also inform the complainant of the determination that the Policy has been violated, and, if applicable, of any remedial measures, and will determine what, if anything, the complainant shall be advised about any disciplinary measures taken as to the offender.

5. The individual found to have violated this Policy may request in writing that the Board of Governors review the investigation process for compliance with Sections IV.D.1 – IV.D.4. of this Policy (or, if relevant, ASME's Employee Handbook). Any such request must be received by the Board of Governors within ten (10) days after the date the individual was informed of the decision. The Board of Governors will not review the merits of the decision. The Board of Governors will complete its review within thirty (30) days of receiving a timely written request. Any remedial and/or disciplinary measures will be held in abeyance pending completion of the Board of Governors' review.

6. If the Board of Governors conducts a review and finds that the investigation complied with the relevant procedures, the remedial and/or disciplinary measures decided upon by the Executive Committee will be taken. If the Board of Governors finds that the investigation did not comply with the relevant procedures, they may recommend (i) that the case be closed; (ii) that further investigative steps be taken in accordance with the appropriate policy; or (iii) if the failure to adhere to procedure was insignificant, that the remedial and/or disciplinary measures decided upon by the Executive Committee be carried out. The Executive Committee will take any further action necessary to resolve the complaint in accordance with the Board of Governors' recommendation.

E. In the event any member of the Executive Committee abstains from handling any complaint or report of an alleged violation of this Policy, the Board of Governors shall by vote appoint a sitting Governor to fill any vacancy or vacancies. The members of the Executive Committee abstaining from handling the complaint or report shall abstain from any action to fill any Executive Committee vacancies.

F. ASME will strive to keep the identity of persons making complaints pursuant to this Policy as confidential as possible.

G. It is a violation of this Policy for any retaliatory action to be taken or threatened against an individual who in good faith reports or provides information about a possible violation of
this Policy or who in good faith participates in a related investigation or exercises any other right protected by the equal employment opportunity laws. In the event that a member believes they have been retaliated against for such action, they should use the reporting procedures outlined in Section IV.B. of this Policy to report the pertinent facts promptly. ASME will investigate and take appropriate action in the manner described above.

H. The making by a member of a complaint pursuant to this Society Policy which such member knows to be false or the providing by a member of information which such member knows to be false relating to such a complaint is a violation of the Code of Ethics of Engineers and may be the subject of a complaint against such member brought pursuant to Society Policy P-15.4. Any complaint of a violation of this Policy that has been determined to have been knowingly false shall be expunged from any and all records of ASME relating to the alleged offender.

I. The procedures for handling complaints set forth in Sections IV.D. and IV.E. above will also apply:

1. If a complaint of a violation of this Policy is made against a member of ASME by an individual who is neither a member nor an employee of ASME, and the alleged incident occurred on Society premises or during Society activities; and

2. If a complaint of a violation of this Policy is submitted to the Executive Director/CEO as an alleged ethical violation.
