Apply for Scholarships

Over 1,500 students have received $5.6MM in ASME scholarships

Since 1990, ASME has invested $5.6MM in scholarships to over 1500 students. The ASME scholarship program is focused on assisting a diverse cross-section of students, who have financial need, academic achievement, and who are engaged in their student and community groups on their way towards entering the engineering profession.

At A Glance

- ASME undergraduate or graduate student members in good standing are eligible for academic scholarships.
- ASME student membership is required to login to the online application system. Join ASME or Renew your membership.
- Applicants must be accepted and later enrolled in Associate, Baccalaureate or graduate degree programs for the upcoming academic year starting in August/September. Associate degree programs at community/technical colleges or international programs holding Regional/National Accreditation are accepted. Baccalaureate programs at domestic colleges/universities must hold ABET accreditation.
- Complete only one application for all ASME Scholarships in this group.
- Students must apply again each year.

Attention Parents: Scholarships are available for pursuing engineering degrees in ASME scholarships.

go.asme.org/HSscholarships

All ASME scholarships are available to ASME student members anywhere in the world except where subject to constraints as noted:

(1) Amount subject to availability of funds
(2) Number of scholarships awarded subject to availability of funds
(3) Applications are accepted in the year prior to eligibility for full-time college study
(4) See full description for complete general & specific constraints (Complete Scholarship Details document available on website) or Global Eligible indicates that

NOTE: Students in countries restricted by U.S. State Department regulations are not eligible
