

How to View and Download Your ASME Certification

This guide walks you through the process to access your ASME Conformity Assessment Certification. You must already have an ASME.org account and CA Connect access. To create an ASME.org account, please review the “Log In to CA Connect” guide.

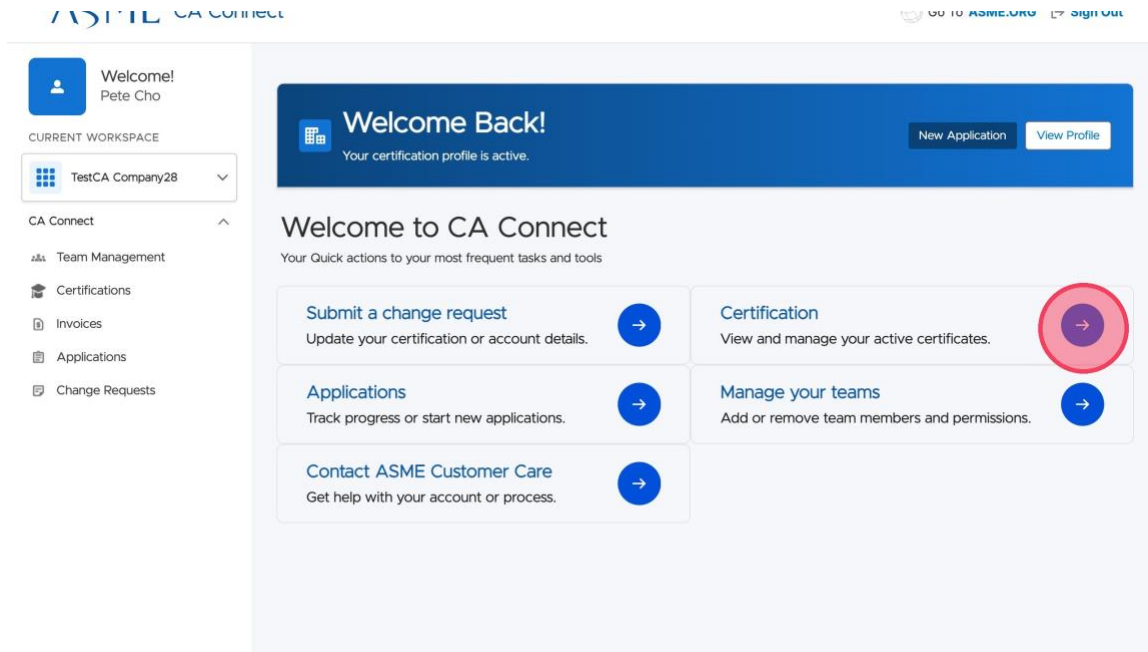

1. Navigate to the CA Connect home page. Ensure you are accessing the correct company workspace if you have access to more than one company.

The screenshot displays the ASME CA Connect user interface. On the left, a navigation sidebar includes a user profile for Pete Cho, the current workspace 'TestCA Company28', and a menu with options like Team Management, Certifications, Invoices, Applications, and Change Requests. The main content area features a 'Welcome Back!' banner with 'New Application' and 'View Profile' buttons. Below this is a 'Welcome to CA Connect' section with quick actions for submitting change requests, viewing certifications, managing teams, and contacting customer care.

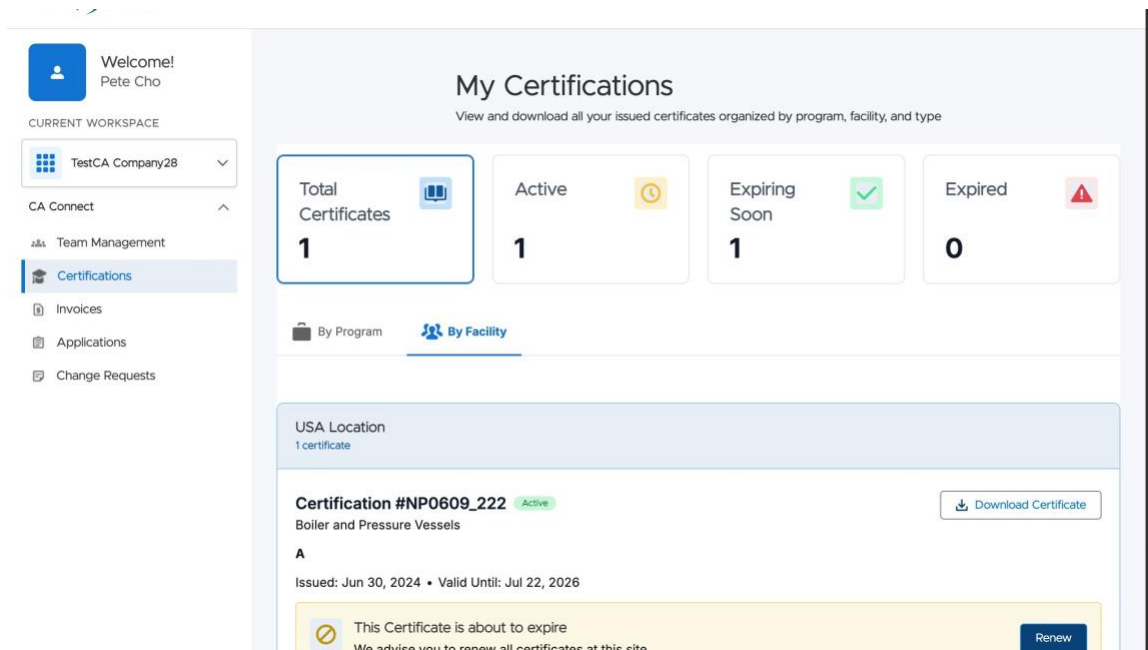

ASME® | CA Connect

Quick Reference Guide

2. Click "Certification" from the main page to navigate to your certifications.

3. You can see all your certifications listed by program or by facility location.

Status	Definition
Active	Currently active Certification for that Program/Facility
Expiring Soon	Certification will expire within 9 months of the current date
Expired	Certification has expired

ASME® | CA Connect

Quick Reference Guide

- Click "Download Certificate" to get a PDF of your certification. If you are unable to download your certification, or if you get an error, please contact ASME Customer Care.

The screenshot shows the ASME CA Connect dashboard for 'TestCA Company28'. The dashboard includes a sidebar with navigation options: CA Connect, Team Management, Certifications, Invoices, Applications, and Change Requests. The main content area displays four summary cards: Total Certificates (1), Active (1), Expiring Soon (1), and Expired (0). Below these cards, there are filters for 'By Program' and 'By Facility'. A section titled 'Boiler and Pressure Vessels' shows 1 certificate. The details for 'Certification #NP0609_222' are shown, including 'USA Location', 'A', and 'Issued: Jun 30, 2024 • Valid Until: Jul 22, 2026'. A 'Download Certificate' button is highlighted with a red circle. A yellow warning banner at the bottom states 'This Certificate is about to expire' and includes a 'Renew' button. The footer contains links for Terms of Use, Privacy Policy, Contact Us, and Communication Preferences, along with the copyright notice: © 2026 The American Society of Mechanical Engineers. All Rights Reserved.

- Review your certification. If ANY information on your certification is incorrect or needs updating, please submit a Change Request. You can use the "Submit a Change Request" guide for instructions on how to do this.

The screenshot shows the 'CERTIFICATE HOLDER DETAILS' page for a specific certificate. The page features the ASME logo and the 'CA Connect' header. The details are as follows:
