For valuable consideration, receipt of which is hereby acknowledged, I, the undersigned, hereby irrevocably grant to The American Society of Mechanical Engineers (hereinafter "ASME"), its successors, licensees and assigns, the right to use my name, likeness, persona, biographical data, and voice (collectively, "Persona") as such may be embodied in any pictures, photos, drawing, text, printed work, renderings, video recordings, audio recordings, audio-visual works, digital images, and the like, provided to ASME by me or taken or made by ASME or on behalf of ASME at the above noted dates and location (collectively, "Recordings") and to print and distribute my biography, in any manner ASME desires in connection with the stated Project all of the foregoing may either be used alone or together with any likenesses, images, or voices or third party work from existing or newly created works, ie. videos or products, whether recorded by ASME or any third party, in and in connection with, and related to, the creation, production, of the above-mentioned Project, in any manner, throughout the universe in perpetuity. I acknowledge and agree that I shall have no right to review or approve ASME's use of my Persona or the Recordings.

ASME shall own the Recordings, including the entire copyright therein, and may use them as set forth herein in the ASME's sole discretion and I acknowledge and agree that I have not been granted any right or license to use the Recordings.

By signing and returning this release to ASME, I hereby fully and forever discharge and release ASME, and all others, including but not limited to individuals connected with the Project from any claim for damages of any kind, including, but not limited to, copyright, invasion of privacy, defamation, false light or misappropriation of name, likeness or image, arising out of the use or publication of your Persona or the Recordings, emotional distress; physical or financial injury; or any claims based on my participation on the Project. I shall indemnify and defend ASME and all others connected with the Project from and against any and all liability, actions, claims, damage, expense, including reasonable attorneys' fees, or loss of any kind caused by or arising out of any statement or action of mine made during or in connection with my participation on the Project, or resulting from or by reason of the breach or alleged breach of any promise made by me herein. All grants, permissions, and consents and all covenants, agreements, and understandings contained herein are irrevocable and shall accrue to ASME's benefit and the benefit of ASME's affiliates, agents, attorneys, licensees, successors, and assignees.

I will not disclose to any third party any confidential information concerning the Project that I have received or may receive in connection with my appearance on the Project.

I understand that this release is a material inducement for ASME to proceed with such production and acknowledge that ASME may rely on this release in proceeding with such production.

I acknowledge and agree that I shall will not receive any compensation for the use of my Persona or the Recordings.

By signing and returning this letter to ASME, I agree to its terms and warrant that I have read and understood this letter and the promises that I have made.
