- a. The designated member of the ~~Investigative Panel-Committee of Past Presidents~~, in accordance with established policies and procedures, has certified to the Executive Director that the complaint has been examined and is not a matter for action by the Society; or

SOCIETY POLICY

ETHICAL CONDUCT VIOLATION PROCEDURES

I. PREFACE

- A. Article C2.1.1 of the Constitution states in part, “The purposes of this Society are to: ... Promote a high level of ethical practice. In all professional and business relations the members of the Society shall be governed by the Code of Ethics as stated in the Society Policies.”
- B. By-Law B2.1 states in part: “To promote the art, science and practice of mechanical and multidisciplinary engineering and allied sciences to diverse communities throughout the world the Society shall:...

ETHICAL PRACTICE

Maintain a Code of Ethics of Engineers consistent with the standards of the profession.

Promote and encourage practice in the profession within this code.

Arrange for adjudication within the structure of the Society for violations of the code brought to its attention.”

- C. By-Law B3.3.1 states in part: “Any member who has been found to have violated the Constitution, By-Laws or Code of Ethics of the Society, may be expelled by the affirmative vote of seven members of the Board of Governors.”
- D. ASME requires ethical conduct by its members and adherence to the provisions of the Constitution, By-Laws, Society Policies, and the Code of Ethics. There may be occasions when a complaint of unethical conduct is filed against a member of the Society, and the following procedure is designed to ensure a prompt, thorough investigation and disposition of the matter. It is in the best interests of the member against whom a complaint has been filed, the Society, and the profession that such matters be handled in an impartial and confidential manner. Members and staff involved in the investigation and disposition of such cases shall not disclose particulars of any case except as required by their assigned duties.
- E. Occasionally, complaints are brought to the attention of the Society rising out of a dispute between an employer or employee or between the parties to a contract. Ordinarily, such disputes are properly resolved through legal and commercial channels and not through an ethics complaint and inquiry.
- F. The Ethics Committee and the Executive Director of the Society have the responsibility for implementing the procedure defined in this Society Policy.
- G. At any phase of a complaint the Executive Director may, at his or her discretion, request the advice of Legal Counsel.

P-15.4
06/2019

- i. An individual's ethical conduct shall be evaluated on the basis of the Code of Ethics and Conflicts of Interest Policies in effect on the date when a given action or omission took place. The review of such conduct, however, shall be conducted in accordance with the Ethical Conduct Violation Procedures in effect on the first date when a complaint is submitted. If the Ethical Conduct Violation Procedures are amended prior to the completion of the review process, such amendments shall not affect the review of pending matters except insofar as the Board of Governors, in amending the Ethical Conduct Violation Procedures, specifically approves retroactive effect for any portion or all of the amended Procedures.

II. PURPOSE

- A. To state the Society's policies related to alleged violation of the Code of Ethics and alleged violation of the Conflicts of Interest Policy.
- B. To provide a fair and responsible procedure for handling complaints and charges of violation of the Code of Ethics or the Conflicts of Interest Policy.

III. RESIGNATION

If a member against whom a complaint has been filed resigns prior to the final disposition of the case, or is administratively dropped from the Society's membership rolls (for reasons such as not paying dues in a timely manner, not signing a conflict of interest statement, etc.), the Society will accept the resignation or may initiate the termination of membership with the stipulation that the person may not reapply for membership. At its discretion the Society may continue the investigation and disposition of the case in accordance with this Society Policy. Member records of persons removed for unethical conduct violations, or administratively dropped while subject to the ethics violation process shall be kept by the Society.

IV. PROCEDURE

- A. Complaint Phase
 1. Any person contemplating a complaint under this Society Policy may (but is not required to) participate in the following consultative procedure prior to the submission of his or her complaint:
 - a. The person shall notify the Society's Managing Director, Governance, orally or in writing that he or she is considering the filing of an ethics complaint and wishes to participate in the Society's pre-complaint consultative procedure. This notification shall include the name(s) of the person(s) contemplating the complaint and the person(s) who would be subject to the complaint.
 - b. The Managing Director, Governance, shall promptly notify the members of the Ethics Committee, whereupon those members of the Committee

P-15.4
06/2019

- who have no conflict of interest with respect to the possible complaint(s) shall promptly draw lots to determine which of their number will provide pre-complaint consultation.
- c. Within thirty (30) days of the initial notification to the Managing Director, Governance, the Committee member selected by lot to provide pre-complaint consultation (the “consulting member”) shall notify the person contemplating a complaint and provide consultation to him or her with respect to:
 - i. The identification and clarification of the ethical issues, if any, presented by the proposed complaint.
 - ii. The completion of the Society’s complaint form in a manner that fulfills as nearly as possible the requirements of this Society Policy for complaints.
 - iii. The applicable procedures under this Society Policy, with the objective of assisting the person contemplating a complaint to understand the phases and nature of an ethics complaint under this Society Policy.
 - d. The consulting member shall at all times maintain neutrality and shall explain to the person contemplating a complaint that the role of the consulting member is limited to assisting the Society’s membership to ensure that there is fair access to a forum for the impartial consideration of good-faith ethics complaints.
 - e. Once a complaint is filed, the consultation period shall be concluded, and the consulting member shall thereupon recuse himself or herself from further review of or participation in the matter. Without limiting the generality of the foregoing, there may be no post-complaint consultation by the consulting member. Additionally, the consulting member may terminate the consultation period at any time at his or her discretion, without regard to whether a complaint is filed, if he or she concludes that further consultation would not serve a useful purpose.
2. To initiate action, a signed and dated written complaint shall be filed with the Executive Director of the Society. The written complaint must be prepared using the form of complaint supplied by the Society for this purpose and state with particularity (a) the name or names of those members of the Society who are the subject of the complaint (referred to hereinafter collectively as the “member subject to the complaint”), (b) those specific provisions of the Society’s Code of Ethics or the Conflicts of Interest Policy that the member subject to the complaint is alleged to have violated, and (c) the alleged facts that are alleged to establish each such alleged violation (including without limitation those specific provisions

P-15.4
06/2019

of the Constitution, By-Laws or Policies of the Society, if any, by which the subject(s) of the complaint have allegedly failed to abide). The complaint may be filed by any interested person or group within or outside the Society. The complaint shall conclude with the following statement by the complainant:

“All facts alleged in this complaint are, to the best of my knowledge, true, correct and complete, and I have neither knowingly misrepresented nor knowingly omitted any information that would be material to the evaluation of the merits of this complaint. I understand that if the foregoing statements are untrue and if I am a member of the American Society of Mechanical Engineers, I may have violated the Society’s Code of Ethics. I understand that the entire contents of my complaint including my identity may be disclosed to the individual or individuals referenced in my complaint during the course of any review of my complaint, and I consent to such disclosures.”

3. No complaint shall be maintained or upheld pursuant to this Society Policy unless such complaint is submitted to the Society pursuant to this Society Policy within three (3) years after:
 - a. the date of the incident (or last of a series of related incidents) constituting the alleged violation; or, if later,
 - b. the earliest date on which the complainant had knowledge, or on which a member of the Society reasonably should have had knowledge, that any such incident (or series of related incidents) might constitute a violation reportable under this Society Policy.

4. The Executive Director, upon receipt of a complaint of alleged unethical conduct, shall within thirty (30) days:
 - a. acknowledge receipt of the complaint to the complainant by Certified Mail,
 - b. ascertain whether the person against whom the complaint has been made is currently a member of the Society,
 - c. determine whether the complaint fulfills the requirements of IV.A.2, and
 - d. if the requirements of either IV.A.4.b or IV.A.4.c or both of them are not met, notify the complainant by certified mail (return receipt requested) that the complaint has been rejected because it fails to fulfill either IV.A.4.b or IV.A.4.c or both of them, as the case may be.

P-15.4
06/2019

Such complaint may be revised and resubmitted, and the date of any such resubmission shall be the submission date for purposes of IV.A.3.

5. If the complaint is not rejected pursuant to IV.A.4, the Executive Director shall within sixty (60) days of receipt of the complaint:
 - a. send the Chair of the Ethics Committee a copy of the complaint received, and
 - b. decide, with concurrence of the Chair of the Ethics Committee, whether the complaint is barred from further consideration
 - i. by reason of IV.A.3,
 - ii. because it involves a dispute between an employer or employee or between the parties to a contract which dispute is properly resolved through legal or commercial channels,
 - iii. because it raises issues that are trivial, frivolous or harassing in nature, or
 - iv. because the facts alleged in the complaint, even if true, would not constitute violations of the Code of Ethics or the Conflicts of Interest Policy.
6. If the complaint is barred as provided in IV.A.5.b, the Executive Director shall notify the complainant by Certified Mail that the complaint is barred for such of the reasons set forth in IV.A.5.b as shall apply.
7. If the Executive Director and the Chair of the Ethics Committee do not concur as to any matter for which their concurrence is required under IV.A.5.b, the matter shall be presented to the President of the Society, whose determination shall govern and may not be appealed, or, if the complaint shall involve the President as either a witness or the member subject to the complaint, the matter shall be presented to the Board of Governors (other than the President), whose determination shall govern and may not be appealed.
8. If the complaint is not rejected pursuant to IV.A.4 or IV.A.5, the Executive Director shall notify the complainant that the matter is being referred to the Ethics Committee within thirty (30) days of the determination by the Executive Director and Chair of the Ethics Committee, per Section IV.A.5, or by the President or Board of Governors per Section IV.A.7 that the complaint is not barred.
9. Within sixty (60) days of the notice sent to the complainant per Section IV.A.8, the Executive Director and the Chair of the Ethics Committee shall prepare (in

P-15.4
06/2019

consultation with legal counsel) a statement of preliminary charges and the Executive Director shall:

- a. Notify the member subject to the complaint, by certified mail (return receipt requested), that an ethics complaint has been filed,
 - b. Include with the notification a copy of the statement of preliminary charges and the following statement:
 - i. That the preliminary charges allege matters to be within the scope of the Code of Ethics or Conflicts of Interest Policy of the Society,
 - ii. That an investigation will be made to determine if the complaint is substantiated by the facts, and
 - iii. That the member is encouraged to submit a written response (of not more than ten (10) double-spaced letter-sized pages in Times New Roman type with a minimum font size of 10) to the complaint within thirty (30) days and to inform the Society of his or her preferred address.
 - c. In consultation with the Chair of the Ethics Committee, designate an Investigative Panel of no more than five members from the Society's staff or membership (or both) to conduct an investigation of the matter, and
 - d. Provide the Investigative Panel with a copy of the complaint and a copy of the statement of preliminary charges (the complaint and preliminary charges shall not foreclose the Investigative Panel from determining that there may have been violations of provisions of the Code of Ethics or the Conflicts of Interest Policy other than or in addition to those cited in the complaint or the preliminary charges).
10. Reasonable expenses incurred by the Investigative Panel shall be paid by the Society.
11. In any case in which a complaint or other written or oral submission in connection with the submission, investigation and review of an ethics complaint contains statements or makes omissions that may give rise to an ethics complaint against the individual making the complaint or other submission, the Executive Director shall submit the relevant information to the Secretary of the Society, whose responsibility it shall be to evaluate the information and determine whether to make an ethics complaint in respect of such individual's conduct. This Section IV.A.11 shall not limit the right of any other person to make a complaint in respect of such individual's conduct, provided the person making the complaint has properly obtained the information on which his or her complaint is based.

B. Investigative and Review Phase

1. The Investigative Panel shall hold individual conferences on the subject matter of the complaint with the member against whom a complaint has been filed, the complainant and any other persons known or believed to have knowledge of the matter (such other persons, the “witnesses”). In the conduct of these informal conferences, the following should be kept in mind by all concerned:
 - a. the purpose is to determine if there is cause for further action by the Society,
 - b. the investigation is not a legal hearing, but an informal conference to determine the facts in the matter, and the member is not “accused” by the Society in a legal sense,
 - c. the greatest tact must be exercised by the Investigative Panel,
 - d. if, during the conference, information is obtained that suggests the need to broaden the scope of the investigation, the Investigative Panel shall conduct such additional investigation before completing the investigation of the matter, and
 - e. at the start of each conference, the Investigative Panel shall advise each witness that the information may or may not be used in a written report and it may be furnished to the member subject to the complaint.
2. After the Investigative Panel is assured that all pertinent information concerning the matter has been secured, the Investigative Panel shall prepare a detailed written report giving all data concerning the matter and send the report to the Chair of the Ethics Committee. The Investigative Panel shall make one (1) of the following determinations:
 - a. That the facts, as found by the Investigative Panel, do not support the complaint and as such do not provide a sufficient basis for any further action by the Society, in which case the matter shall be handled as provided in IV.B.3, or
 - b. That the facts, as found by the Investigative Panel, appear to establish a violation of the Code of Ethics or Conflicts of Interest Policy that is minor and as such does not warrant suspension or expulsion of the member subject to the complaint, in which case the matter shall be handled as provided in IV.B.4, or
 - c. That the facts, as found by the Investigative Panel, appear to establish a violation of the Code of Ethics or Conflicts of Interest Policy that is more

P-15.4
06/2019

than minor and as such may warrant suspension or expulsion of the member subject to the complaint, pursuant to a formal statement of charges adopted by the Investigative Panel as a part of its determination, in which case the matter shall be handled as provided in IV.B.5.

Within thirty (30) days of a determination under this Section IV.B.2, the Chair of the Ethics Committee shall notify the Executive Director in writing of such determination. Such notification, in the case of a determination described in IV.B.2.c, to include the formal statement of charges adopted pursuant to IV.B.2.c.

3. If there is a determination, pursuant to IV.B.2.a, that the facts, as found by the Investigative Panel, do not support the complaint and as such do not provide a sufficient basis for any further action by the Society, the Executive Director shall within thirty (30) days of receiving the notification specified in IV.B.2:
 - a. notify the Board of Governors of the determination,
 - b. by certified mail (return receipt requested), notify the complainant, the member subject to the complaint and all witnesses who have been interviewed by the Investigative Panel that the matter is closed pursuant to this Section IV.B.3, and
 - c. close the official file on the matter and retain the file in the records of the Society for not less than ten (10) years from the date on which the initial complaint was received by the Society.

A complaint disposed of pursuant to this Section IV.B.3, even if the complaint is revised, may not be resubmitted.

4. If there is a determination by the Investigative Panel, pursuant to IV.B.2.b, that the facts, as found by the Investigative Panel, appear to establish a violation of the Code of Ethics or Conflicts of Interest Policy that is minor and as such does not warrant suspension or expulsion of the member subject to the complaint, the Executive Director on behalf of the Investigative Panel shall within thirty (30) days of such determination send a letter of warning/admonishment to the member subject to the complaint by certified mail (return receipt requested) and
 - a. notify the Board of Governors of the determination,
 - b. by certified mail (return receipt requested), notify the complainant that the matter is closed pursuant to this Section IV.B.4 and if the matter is not resolved publicly that the resolution of the matter shall be held confidential and not revealed to any other party by the complainant.

P-15.4
06/2019

- c. by certified mail (return receipt requested), notify all witnesses who have been interviewed by the Investigative Panel that the matter has been resolved and is closed, and
 - d. close the official file on the matter and retain in the file records of the Society for not less than ten (10) years from the date on which the initial complaint was received by the Society.
5. If there is a determination, pursuant to IV.B.2.c, that the facts, as found by the Investigative Panel, appear to establish a violation of the Code of Ethics or Conflicts of Interest Policy that is more than minor and as such may warrant suspension or expulsion of the charged, the Executive Director, within thirty (30) days of receipt of the notification described in IV.B.2 shall notify the President in writing that the matter will be submitted to the Board of Governors for determination. In making its determination, the Board of Governors shall not be bound by the recommendations of the Investigative Panel and may upon review of the complaint; (1) determine that the complaint is not supported by the facts; (2) determine that a lesser sanction such as a letter of warning/admonishment should be issued; or (3) suspend or expel the member. The Board of Governors should ordinarily make such determination in a closed session of the Board.

Within thirty (30) days of the rendering of a decision by the Board of Governors, the Executive Director shall:

- a. by certified mail (return receipt requested), notify the subject of the complaint of the resolution of the matter pursuant to this Section IV.B.5;
 - b. by certified mail (return receipt requested), notify the complainant that the matter is closed pursuant to Section IV.B.5 and if the matter is not resolved publicly that the resolution shall be held confidential and not revealed to any other parties by the complainant;
 - c. by certified mail (return receipt requested), notify all witnesses who had been interviewed by the Investigative Panel that the matter is closed, and
 - d. close the official file on the matter and retain in the files of the Society for not less than ten (10) years from the date on which the initial complaint was received by the Society.
6. A complaint disposed of by the Board of Governors, even if the complaint is revised, may not be resubmitted.
7. All files concerning ethics complaints and the resolution thereof shall be confidential and may not be disclosed except by authority of the Board of Governors. The records shall be retained for a period of not less than ten (10) years from the date on which the initial complaint was received by the Society.

P-15.4
06/2019

The proceedings may be synopsised and made anonymous for later publication for instructive purposes.

8. The membership shall be notified of all disciplinary actions taken by the Board of Governors under this Section IV.B for violations of the Code of Ethics or Conflicts of Interest Policy, by publication of a suitable notice in MECHANICAL ENGINEERING or ASME NEWS. The name of the disciplined member shall not be published. However, the action of the Board of Governors, including the name of the disciplined member, shall be reported to the section chair and appropriate Society officers.

- b. The Managing Director, Governance, shall promptly notify the members of the Ethics Committee, whereupon those members of the Committee who have no conflict of interest with respect to the possible complaint(s) shall promptly draw lots to determine which of their number will provide pre-complaint consultation.
 - c. Within thirty (30) days of the initial notification to the Managing Director, Governance, the Committee member selected by lot to provide pre-complaint consultation (the "consulting member") shall notify the person contemplating a complaint and provide consultation to him or her with respect to:
 - i. —The identification and clarification of the ethical issues, if any, presented by the proposed complaint.
 - ii. —The completion of the Society's complaint form in a manner that fulfills as nearly as possible the requirements of this Society Policy for complaints.
 - iii. —The applicable procedures under this Society Policy, with the objective of assisting the person contemplating a complaint to understand the phases and nature of an ethics complaint under this Society Policy.
 - d. The consulting member shall at all times maintain neutrality and shall explain to the person contemplating a complaint that the role of the consulting member is limited to assisting the Society's membership to ensure that there is fair access to a forum for the impartial consideration of good-faith ethics complaints.
 - e. Once a complaint is filed, the consultation period shall be concluded, and the consulting member shall thereupon recuse himself or herself from further review of or participation in the matter. Without limiting the generality of the foregoing, there may be no post-complaint consultation by the consulting member. Additionally, the consulting member may terminate the consultation period at any time at his or her discretion, without regard to whether a complaint is filed, if he or she concludes that further consultation would not serve a useful purpose.
2. To initiate action, a signed and dated written complaint shall be filed with the Executive Director of the Society. The written complaint must be prepared using the form of complaint supplied by the Society for this purpose and state with particularity (a) the name or names of those members of the Society who are the subject of the complaint (referred to hereinafter collectively as the "member subject to the complaint"), (b) those specific provisions of the Society's Code of Ethics or the Conflicts of Interest Policy ~~which~~ that the

Such written explanation shall be signed and dated and shall conclude with the following statement:~~

A determination that a Hearing Board is unwarranted shall be treated as a determination that a letter of warning/admonishment is warranted.~~

~~6. If, pursuant to IV.C.4, a Hearing Board is determined to be warranted, the Executive Director, within thirty (30) days of receipt of the notification described in IV.C.4~~

~~a. shall notify the President in writing that a Hearing Board is mandated pursuant to IV.C.4 and shall provide the President with a copy of the complaint, a copy of the Investigator's report, a copy of the proposed letter of warning/admonishment, a copy of the written statement described in IV.C.1.c, and a copy of the determination of the Chair of the Ethics Committee provided pursuant to IV.C.4.~~

~~b. shall notify the member who is subject to the complaint in writing that a Hearing Board is mandated pursuant to IV.C.4 and that further information will be forthcoming once the Hearing Board has been appointed.~~

~~D. Appeal Phase (Letters of Warning/Admonishment)~~

~~1. Notwithstanding the closure of a matter pursuant to IV.B.7.b, a member who receives a letter of warning/admonishment may appeal the matter to the Board of Governors, provided the letter of appeal is received by the Office of the Executive Director not later than thirty (30) days after the letter of warning/admonishment is sent to the member. Any such appeal shall conclude with the following statement by the member:~~

~~"All facts alleged in this appeal are, to the best of my knowledge, true, correct and complete, and I have neither knowingly misrepresented nor knowingly omitted any information which would be material to the evaluation of the merits of this appeal. I understand that if the foregoing statements are untrue, I may have violated the Society's Code of Ethics."~~

~~2. A member's appeal shall be disqualified if it is made directly to members of the Board of Governors or is accompanied by direct communications with the Board of Governors. The member and his or her legal counsel shall be permitted to meet with the Board of Governors only at its option. The appeal shall be denied unless the member demonstrates to the satisfaction of the Board of Governors (a) that the procedure for issuance of such a letter was not followed and (b) that no letter of warning/admonishment was warranted.~~

P-15.4
11/13

~~3. In the event of an appeal, the Board of Governors may elect to remand the matter to the Chair of the Ethics Committee for further consideration, in which case a further unfavorable determination may not be appealed other than for a further failure to follow the procedure for the issuance of a letter of warning/admonishment.~~

~~E. Hearing Phase~~

~~1. The President shall, within thirty (30) days of receipt of the notification described in IV.B.8 or IV.C.6 appoint a Hearing Board composed of three (3), four (4), or five (5) members of the Committee of Past Presidents, such appointment to be made by certified mail (return receipt requested). The President shall include with the appointment a copy of the materials supplied to the President pursuant to IV.B.8 or IV.C.6, as the case may be. The President shall designate one (1) member of the Hearing Board as its Chair. The President shall simultaneously notify the Executive Director and the Board of Governors of the appointees to the Hearing Board. The appointment of the members of a Hearing Board and the appointment of its Chair may not be appealed.~~

~~2. At the time the Hearing Board is appointed, the President shall also designate one (1) additional member of the Committee of Past Presidents as an alternate member of the Hearing Board. Once the alternate appointee has joined the Hearing Board, the President shall have the authority to fill any other vacancies which arise by reason of the resignation or death of a Hearing Board appointee. Notwithstanding the foregoing, no alternate appointee may join the Hearing Board and no vacancy may be filled after the commencement of the Hearing.~~

~~3. Each appointee shall review promptly the materials provided pursuant to IV.E.1 and shall notify the President within thirty (30) days of receipt of such materials of his or her resignation from the Hearing Board if there exists any conflict of interest, friendship, prejudice, or other prejudice that might interfere with his or her ability to consider the matter in a disinterested manner, whereupon the alternate member of the Hearing Board shall join the Hearing Board.~~

~~4. Promptly upon receipt of notification of the President's appointees to the Hearing Board, the Office of the Executive Director shall contact the charged member (in matters described in IV.B.8) or the member subject to the complaint (in matters described in IV.C.6) in writing or by telephone in order to ascertain dates, times and locations that would be convenient or inconvenient for the Hearing. The Office of the Executive Director shall provide the information to the Chair of the Hearing Board. Such information is ascertained as a courtesy only, and the Hearing Board shall in no way be limited in setting the date, time and location of the Hearing by reason of such information.~~

~~5. Within thirty (30) days of notification of their appointment, the members of the Hearing Board shall confer by telephone or other means to determine a~~

~~convenient date, time and place for the Hearing. The date selected shall be such as to afford at least thirty (30) days' notice of the Hearing to the following "interested parties": the complainant, the charged member or member subject to the complaint, the Investigator and all other persons who will be invited to provide testimony at the Hearing.~~

~~6. The Executive Director shall notify the interested parties by certified mail (return receipt requested) of the date, time and place of the Hearing. In matters described in IV.B.8, the notification to the charged member shall be accompanied by a copy of the statement of charges. In matters described in IV.B.8 or IV.C.6, the notification to the charged member or member subject to the complaint, as the case may be, shall also be accompanied by a copy of the report of the Investigator.~~

~~7. In order to respond to the statement of charges or the proposed letter of warning/admonishment, the charged member or member subject to the complaint, as the case may be, is eligible (but not required) (a) to appear at the Hearing in person, with legal counsel if desired, and (b) to provide a written statement to the Hearing Board. Although the member's attendance is not required, he or she is urged to attend.~~

~~8. The Hearing shall be conducted as follows:~~

~~a. Attendance at Hearings shall be limited to:~~

- ~~1) members of the Hearing Board,~~
- ~~2) the Executive Director and other designated Society staff members,~~
- ~~3) the Investigator,~~

~~c. A record of the Hearing shall be made by a qualified court reporter. A transcript will be prepared of the Hearing and a copy made for the Society and a copy made for the charged member or member subject to the complaint, as the case may be.~~

 - ~~_____ d. Presentation by the Investigator of evidence relating to the matter.~~
 - ~~_____ e. Defense or rebuttal by the charged member or member subject to the complaint (the defense or rebuttal to be made at the option of the charged member or member subject to the complaint). (If no defense or rebuttal is presented either in person or in writing, the Hearing Board shall proceed with the Hearing on the basis of the statement of charges or proposed letter of warning/admonishment, as the case may be, the materials presented to the Hearing Board pursuant to IV.E.1, and Investigator's oral presentation at the Hearing).~~

 - ~~_____ i. The Chair shall then close the Hearing and the Hearing Board shall go into executive session to discuss the evidence presented and reach a decision.~~
- ~~10. An alleged violation of the Code of Ethics or Conflicts of Interest Policy shall be sustained or deemed to have been proven only if the preponderance of the~~

Accordingly, the Hearing Board is charged with evaluating both (a) the sufficiency of the allegations to establish a violation of the Code of Ethics or Conflicts of Interest Policy and (b) the truth of those allegations.~~

~~11. The Hearing Board shall determine the case by voting by ballot. A majority vote of the entire Hearing Board shall prevail.~~

~~12. The following procedure will be followed sequentially in the case of matters involving the appeal of a proposed letter of warning/admonishment:~~

~~a. With respect to each provision of the Code of Ethics or Conflicts of Interest Policy alleged in the proposed letter to have been violated, the Hearing Board shall determine in a separate ballot with respect to each such provision whether the alleged violation has been sustained or proven.~~

~~b. If no alleged violation is voted to have been sustained or proven, the member subject to the complaint shall be declared "cleared of all allegations," whereupon the procedure in IV.B.7 for situations in which proposed letters of warning/admonishment are appealed and deemed unwarranted shall be followed.~~

~~c. If any alleged violation is voted to have been sustained or proven, the issuance of a letter of warning/admonishment with respect to those violations only shall be deemed to be warranted, whereupon the procedure in IV.B.7 for situations in which proposed letters of warning/admonishment are appealed and deemed warranted shall be followed.~~

~~d. If a proposed letter of warning/admonishment is deemed warranted only in part, there shall be both a letter of warning/admonishment with respect to those matters deemed warranted and a notification of withdrawal of the proposed letter of warning/admonishment with respect to those matters deemed unwarranted.~~

~~e. Except as provided in IV.D, a determination pursuant to this IV.E.12 may not be appealed.~~

~~f. The remaining portions of IV.E shall not apply with respect to matters involving the appeal of a proposed letter of warning/admonishment.~~

~~13. The following procedure will be followed sequentially in the case of matters involving a statement of charges:~~

~~a. With respect to each provision of the Code of Ethics or Conflicts of Interest Policy alleged in the statement of charges to have been violated, the Hearing~~

~~Board shall determine in a separate ballot with respect to each such provision whether the alleged violation has been sustained or proven.~~

~~b. If no alleged violation is voted to have been sustained or proven, the member subject to the complaint shall be declared "cleared of all charges."~~

~~c. If one (1) or more charges are sustained, a ballot shall be taken on the question: "Shall the Hearing Board recommend that the charged member be expelled from the Society?" A vote of two thirds of the entire Hearing Board shall be required for expulsion.~~

~~d. If the ballot on expulsion fails to carry, a ballot shall then be taken on the question: "Shall the Hearing Board recommend that the charged member be suspended for one (1) year from the Society?" A majority vote of the entire Hearing Board shall prevail.~~

~~Suspension shall withdraw all rights and privileges of the member, but it shall not affect any Society insurance protection.~~

~~e. If the ballot on suspension fails to carry, a ballot shall be taken on the question: "Shall the Hearing Board recommend that the charged member be sent a letter of censure?" A majority vote of the entire Hearing Board shall prevail.~~

~~f. If the ballot on censure fails to carry, the charged member shall be declared "cleared of all charges."~~

~~g. If the charged member has resigned without right of reapplication and is subsequently "cleared of all charges," suspended, or censured, per IV.E.13.b, d or e, the words, "without right of reapplication" shall be removed from the charged member's resignation record.~~

~~h. If the charged member has resigned without right of reapplication and is subsequently expelled, per IV.E.10.c, the member's resignation shall remain "without right of reapplication."~~

~~14. Within five (5) business days of its determination with respect to a matter involving a statement of charges, the Hearing Board shall provide written notification of the determination (including the text of any opinion in which the determination is recorded) (the "decision") to the Executive Director, the President, and the Chair of the Ethics Committee.~~

~~15. A determination by the Hearing Board that a charged member is "cleared of all charges" may not be appealed, and the complaint in the matter is barred and, even if revised, may not be resubmitted.~~

P-15.4
11/13

~~16. Within thirty (30) days after receipt of a decision that a charged member is "cleared of all charges," the Executive Director shall:~~

~~a. provide the Board of Governors and the members of the Ethics Committee with a copy of the decision,~~

~~b. by certified mail (return receipt requested), provide all interested parties with a copy of the decision together with notice that the matter is closed pursuant to IV.E.15,~~

~~c. shall deposit the decision in the official file of the matter, close such file, and retain the file in the records of the Society for not less than ten (10) years from the date on which the initial complaint was received by the Society.~~

~~17. Within thirty (30) days after receipt of a decision that a charged member has violated the Code of Ethics or Conflicts of Interest Policy, the Executive Director shall:~~

~~a. provide the Board of Governors and the members of the Ethics Committee with a copy of the decision,~~

~~b. provide the Board of Governors with a copy of the materials supplied to the President pursuant to IV.B.8 and a copy of any written statement submitted by or on behalf of the charged member pursuant to IV.E.7.b, and~~

~~c. by certified mail (return receipt requested), provide the charged member with a copy of the decision and notification that, unless the decision is appealed within thirty (30) days as provided in IV.F.1, the Hearing Board's determination will be reviewed by the Board of Governors pursuant to IV.F.5.~~

~~18. The expenses incurred by the Hearing Board for travel of the Hearing Board members, the court reporter, the Society's legal counsel, and witnesses required by the Hearing Board shall be covered by the Society. The charged member or member subject to the complaint shall be responsible for any expenses relating to the member's defense, including counsel and witnesses.~~

~~F. Review and Appeal Phase (Expulsion, Suspension or Censure)~~

~~1. If a Hearing Board determines that a member has violated the Code of Ethics or Conflicts of Interest Policy, the member may appeal the matter to the Board of Governors, provided the letter of appeal is received by the Office of the Executive Director not later than thirty (30) days after the notification described in IV.E.14.c is sent to the member. Any such appeal shall conclude with the following statement by the member:~~

P-15.4
11/13

~~“All facts alleged in this appeal are, to the best of my knowledge, true, correct and complete, and I have neither knowingly misrepresented nor knowingly omitted any information which would be material to the evaluation of the merits of this appeal. I understand that if the foregoing statements are untrue, I may have violated the Society’s Code of Ethics.”~~

~~2. A member’s appeal shall be disqualified if it is made directly to members of the Board of Governors or is accompanied by direct communications with the Board of Governors. The Board of Governors will review the record of the Hearing, the written request for the appeal and any written statement submitted by or on behalf of the charged member and will hear the charged member in person or by his or her legal counsel. The appeal shall be denied unless the member demonstrates to the satisfaction of the Board of Governors (a) that there were substantial errors in significant information presented to the Hearing Board, (b) that there is additional information, not made available to the Hearing Board, which might reasonably have led it to a different result, (c) that the Hearing Board’s decision was erroneous, or (d) that the Hearing Board failed to follow the procedures set forth in IV.E. Procedural errors prior to the Hearing shall not be grounds for the appeal of a Hearing Board decision.~~

~~3. The Board of Governors may take the following action after the appeal:~~

~~a. The Board of Governors may sustain the decision of the Hearing Board and implement the recommended action against the charged member.~~

~~b. The Board of Governors may sustain the decision of the Hearing Board, but modify the recommended action against the charged member to a less serious action.~~

~~c. The Board of Governors may dismiss the charge against the charged member.~~

~~4. If the Board of Governors elects action under IV.F.3.a. or b., the following voting rules shall apply (notwithstanding any contrary provision of the Society’s Constitution or By-Laws):~~

~~a. An affirmative vote of seven (7) members of the Board of Governors, at a meeting where a quorum is present, shall be required to confirm a decision of the Hearing Board leading to the expulsion of the charged member.~~

~~b. An affirmative vote of six (6) members of the Board of Governors, at a meeting where a quorum is present, shall be required to confirm a decision of the Hearing Board leading to the suspension or censure of the charged member.~~

P-15.4
11/13

~~5. If the charged member does not appeal the decision of the Hearing Board, the Board of Governors shall at its next regularly scheduled meeting vote on whether to confirm the decision of the Hearing Board and to implement the recommended action. If the Board of Governors elects not to confirm the decision of the Hearing Board, the Board of Governors shall determine such actions as it deems fitting and proper.~~

~~6. It shall be within the discretion of the Board of Governors to determine what portion, if any, of its fact finding and deliberations concerning an appeal under this IV.F shall be conducted in executive or special session.~~

~~7. Within thirty (30) days of a decision by the Board of Governors, the Executive Director shall:~~

~~a. provide the Chair of the Ethics Committee with written notification of the decision together with any accompanying explanations provided by the Board of Governors, to be used for the future guidance of the Committee in its administration of ethics matters brought before it,~~

~~b. by certified mail (return receipt requested), provide all interested parties with written notification of the decision together with notice that the matter is closed pursuant to IV.F.6,~~

~~c. shall deposit a copy of such written notification in the official file of the matter, close such file, and retain the file in the records of the Society for not less than ten (10) years from the date on which the initial complaint was received by the Society.~~

5. The Board of Governors shall not be bound by the recommendations of the Investigative Panel and may upon review of the complaint; (1) determine that the complaint is not supported by the facts; (2) determine that a lesser sanction such as a letter of warning/admonishment should be issued; or (3) suspend or expel the member. The Board of Governors should ordinarily make such determination in a closed session of the Board.

Within thirty (30) days of the rendering of a decision by the Board of Governors, the Executive Director shall:

a. by certified mail (return receipt requested), notify the subject of the complaint of the resolution of the matter pursuant to this Section IV.B.5;

b. by certified mail (return receipt requested), notify the complainant that the matter is closed pursuant to Section IV.B.5 and if the matter is not resolved publicly that the resolution shall be held confidential and not revealed to any other parties by the complainant;

~~6-7.~~ All files concerning ethics complaints and the resolution thereof shall be confidential and may not be disclosed except by authority of the Board of Governors. From: Philanthropy Department
Presented By: Kathleen Lobb, Managing Director, Philanthropy
Agenda Title: Acceptance of Sole Membership of ASME Foundation

Agenda Item Executive Summary:

At its meetings in June 2019, the Board of Governors amended the Bylaws to establish a Philanthropy Committee, and it appointed Kenneth Balkey, Jennifer Jewers-Bowlin, Rudolph Landwaard, Thomas Pestorius, K. Keith Roe and Justin Young as members of the Philanthropy Committee.

At its June 2019 meeting, the Board of Directors of ASME Foundation, Inc. (the “Foundation”) took related action to amend its Bylaws in order to designate ASME as the “sole member” of the Foundation.

This designation will establish the role of ASME, acting under the direction of the Board of Governors, in Foundation governance. The Foundation will continue to be a separate corporation from ASME, with its own Board of Directors (appointed by ASME as the sole member), legal identity, tax-exempt status, and taxpayer identification number.

It is requested that the Board of Governors take action formalizing ASME’s acceptance of this designation.

Proposed motion for BOG Action:

To accept the designation of ASME, acting under the direction of the Board of Governors, as the “sole member” of ASME Foundation, Inc.

September 25 Board Of Governors Briefing

What to Expect from Presentation

- **Brief Description** – This presentation will provide an opportunity to listen to the status of this activity
- **Desired Outcome** – This presentation is **information only** at this time. A proposed recommendation and path forward to be presented at the November 10 Board Meeting
- **Questions** – Please hold questions until after the presentation
- **Duration** – 15 Minutes have been allocated for the presentation and discussion

April 10th Board Action

- The Board approved motion passed on April 10, 2019 stated as follows:
- Approved in principle of the name of Technical Events and Content Sector to Technical and Engineering Communities (TEC) Sector
- Assigned the Senior Vice President of TEC the development of a reporting and governance structure and operating document taking into consideration the recommendations of the Task Force on Organizational Structure for review by the Board of Governors due for the first reading of the Bylaws September – October 2019

Current Situation ...

- Technology has and will continue to change rapidly ... ASME response has been slow, inconsistent and sporadic
- Lessons learned from the 2014 Re-Organization indicates the TEC structure is fragmented and not working effectively
- Divisions do not have a leadership, governance structure or ability to provide the technical expertise in strategic areas
- Divisions are not collaborating with each other
- TEC has not adjusted its activities to reflect the current ASME Strategy in the strategic technologies
- Adjustments are required to TEC's structure to provide timely governance and consultation to Divisions and take action to create new Divisions when warranted

Commentary ...

- Two different Task Forces have recommended alternative paths forward which require changes but neither place the society on a trajectory to long-term success
- The April 10th Board action requires “reporting and governance structure and operating documents take in consideration the recommendations from the Task Force on Organizational Structure”
- We have additional information from the Division Survey which was completed after the Motion was passed, further surveying of all Division members currently in progress ... both will provide additional insights
- A Volunteer leadership polled by PEDT is underway which will also provide wide view of organizational performance issues
- PEDT recommends moving date of first reading to November 10, 2019 BOG Meeting

Anticipated Outcomes ...

- A leadership structure for Technical Divisions and Research Committees
- Revised TEC Operations,
- A schedule for implementations of key findings
- Presentation of Bylaws revisions at November 10 Board of Governors Meeting for First Reading

Changes to the ASME President and Governor at Large Nomination Process: A Step Change for the Future of ASME

Nicole Kaufman Dyess and Jared Oehring

Recommendations from the Leaders of the 2019 Nominating Committee and the
2019 Presidential Task Force

What to Expect from Presentation

- **Brief Description** – This presentation will provide an opportunity to discuss each recommendation
- **Desired Outcome** – This presentation is **information only** at this time
- **Questions** – Please hold questions until after the presentation
- **Duration** – 30 Minutes have been allocated for the presentation and discussion

Process Requires Changes to Enhance the Desired Outcome of Nominating Qualified Leaders

- Being selected as Governor means serving in a leadership position on a Board of a major not-for-profit organization and is not a reward for years of dedicated service
- NC Committee member qualifications are not consistent with BOG expectations to select qualified leaders
- NC structure should be streamlined
- Current selection process does not make use of ASME data acquisition and management technology, ASME Members, SVPs and the NC need to participate in searching for nominees
- A more efficient application & meeting schedule will create better outcomes for all
- After the Nominees are selected the membership will vote

Key recommendations that support ASME Strategic Objectives:

- Change title of President to President/Chair to better reflect role
- Empower BOG to select President/Chair
- BOG has option to re-elect President/Chair, if needed (i.e., two-year term)
- PEDT becomes the Executive Committee of the BOG to handle day-to-day operational decisions
- Allow BOG to appoint additional member to the Board to address specific skill set needs

Additional changes to nomination process will add value:

- Eliminate Candidate Support Speakers
- Implement a multi-stage candidate interview process
- Reduce Nomination Packet size and move to on-line format
- Utilize instant runoff voting in Nomination Meeting
- Reduce Nominating Committee size to 10 voting members (2 members and 1 alternate per Sector)
- Enhance member qualifications per recommendations of Task Force

Additional BOG considerations:

- Recommendations may require Constitution and Bylaw revisions
- Timing of changes are critical; FY22-24 timeline is likely the most optimal at this time
- Next Step ... Detailed review and evaluation of proposed changes and formal presentation to BOG in November, 2019

COR reviewed proposed changes to eight By-Laws and recommended changes that the Board of Governors adopted. It approved two new By-Laws that the Board of Governors approved.

COR reviewed proposed changes to eleven Society Policies and recommended changes that the Board of Governors adopted. It approved one new Society Policy that the Board of Governors approved.

The Committee reviewed 28 appointments or reappointments and made recommendations that the Board of Governors approved. COR continued to strictly enforce the examination process of appointments and re-appointments to make sure they were in compliance with Society Policies.

COR approved a new Operation Guide for the Philanthropy Committee and approved changes to three Operation Guides.

The Committee performed the required annual review of the Nominating Committee Manual.

The terms of Keith Thayer and Kate Ingle on the Committee expired in June 2019. Emily Boyd and Joseph Radisek are joining the Committee for the 2019-20 term.

The Committee selected Fred Stong as its chair for 2019-20.

As ASME continues to evolve, the importance of being agile to make necessary changes to its governance documents quickly and efficiently is important. COR is responsive to these needs and brings a corporate history and continuity to the process.

Committee on Honors Annual Report to the Board of Governors 2018-2019

The Committee on Honors (COH) held two face-to-face meetings and conducted several electronic discussions during the 2018-2019 year. Major activities were in the following areas:

a. Diversity.

COH continues to promote ASME's goal of leadership and diversity within the COH Membership by striving to create a balance between academia and industry and including younger members.

b. Rules of Award Review.

COH conducted its triennial review. Twenty-six Rules of Award were reviewed to ensure the procedures outlined in the documents corresponded to those of the award committees. This ongoing activity helps to identify areas of concern that must be addressed, as well as to provide the Committee and Special Award Committees the opportunity to make suggestions relative to procedures while ensuring that the awards are still relevant.

c. Selection of Award Recipients.

During the year, the General Awards Committee and the Committee on Honors reviewed and acted favorably upon nominations for sixty-nine of the Society's seventy-four awards. There were ten international recipients. Twenty recipients were from Industry.

COH considered four nominations for Honorary Membership. Three nominees for Honorary Membership were recommended to the Board of Governors for approval. The Committee also considered four nominations for the 2018 ASME Medal and recommended one nominee for approval by the Board of Governors.

COH continues to uphold the integrity of the Honors Program by carefully evaluating all awardees to ensure that they meet the requirements of the award they receive and that the committee remains true to the purpose and intent of each and every award.

c. Membership Promotion.

To attract and retain ASME membership, COH continues to offer award recipients who are non-members, a free year of membership, and young engineers, three years of free membership. Twelve honorees were invited to join ASME. To date two have joined.

d. Honors Program.

COH is committed to ensuring that the Honors & Awards Program continues to represent ASME's high standard by honoring outstanding individuals.
