Student Group Membership
Participation Request Form

ASME membership

Thank you for your interest in ASME Student Group Membership

We are a community of engineers, academics, and researchers committed to the future of engineering. Participating in the ASME Group Membership Program will provide benefits like daily summaries of essential engineering news, complimentary and discounted award-winning publications, networking opportunities with like-minded individuals outside the workplace, and much more.
Please visit **go.asme.org/StudentGroupMembership** to learn more about Membership benefits.

1. Select a qualified individual at your school to be the primary contact with ASME. This should be a faculty member, department head, administrator, or ASME student section leader.

2. Complete, save and return this writable PDF form to ASME by email to CSG@asme.org. If you prefer to fax or return the form by postal mail, please use the information at the bottom of this form.

3. An ASME representative will contact you via email or phone to review and discuss this request. Once approved, enrollment of members can be done using one of two options -- a spreadsheet to complete for the entire group or an individual form that can be distributed and collected.

The ASME Student Membership program is available to new and renewing students. Your ASME representative will provide information on our **Special Group Membership Discounted Pricing** and available payment methods.

ASME Student Membership dues are $25 USD annually. Student Group Members receive special first year introductory rates and preferred pricing for renewals. Additional discounts are available to residents of certain developing countries.
