

ASME 2017 IMECE®
International Mechanical Engineering
Congress & Exposition®

CONFERENCE | **EXHIBITION**
Nov. 3 – 9, 2017 | Nov. 5 – 8, 2017

Tampa Convention Center, Tampa, Florida

Booth Construction Guidelines

ASME booth construction rules are in accordance with the guidelines established by the [International Association for Exhibitions and Events \(IAEE\)](#). Exhibitors wishing to request a deviation from approved booth construction must submit plans in writing to ASME **prior to the start of the Show** and describe the deviations. Deviations to the IAEE booth construction guidelines will not be permitted unless they are approved in writing by ASME.

[Click here for height restrictions, multi-story construction, construction materials and other guidelines for the ASME IMECE Exposition.](#)

Hanging Signs

Hanging banners will be permitted at IMECE. Please refer to the GES Service Forms for more information on rigging and fees.

GES – Official General Services Contractor

ASME has appointed GES as the official services contractor to provide various services that may be utilized by Exhibitors. If you are planning to use a contractor other than the Show Appointed Contractor (GES) to build your exhibit, please contact [ASME](#) to advise.
