## TRACK 6

### Advanced Manufacturing Research and Development

Sponsored by the ASME Manufacturing Engineering Division's

2017 ASME International Manufacturing Science and Engineering Conference (MSEC)\*

June 4 – June 8, 2017

University of Southern California

---

The Manufacturing Engineering Division (MED) of the ASME, the North American Manufacturing Research Institution of SME, and the Materials and Processing Division of the Japan Society of Mechanical Engineers (JSME) are pleased to co-sponsor the 2017 International Manufacturing Science & Engineering Conference (MSEC), the 45<sup>th</sup> North American Manufacturing Research Conference (NAMRC), and the 2017 International Conference of Materials and Processing (ICMP). The collocated conferences will be hosted by University of Southern California from June 4-8, 2017 in Los Angeles, California, USA.

#### Poster Track Description

This track will involve presentation of technical posters in various areas of advanced manufacturing research. Authors and presenters are invited to participate in this event to expand international cooperation, understanding and promotion of efforts and disciplines in all areas of advanced manufacturing research. Dissemination of knowledge by presenting research results, new developments, and novel concepts is the focus of this Track.

Two sessions are available for poster presentations.

#### Abstract and Poster Submission

**Note: No abstracts or posters are to be submitted to the organizers; submissions will only be accepted via the conference website (<https://www.asme.org/events/msec>).**

Authors are encouraged to submit an abstract on the MSEC2017 website by **November 03, 2016**. The PDF form of the poster must be submitted for review by **February 03, 2017**. You may submit a poster for review even if you did not submit a poster abstract by November 03 2016. Authors will be notified of acceptance by February 17, 2017. The copyright transfer form must be filled out by **March 3, 2017** and the presenting author must pre-register by **April 6, 2017** or the poster (and abstract) will be withdrawn from the conference.
