A special social event will be held on Sunday for women engineers, early career engineers (five years or less from time of graduation), and students.

This event is an opportunity for these individuals to meet the PVP Division leadership team and to learn how to get more involved in activities of the PVP Conference. The PVP Division leadership team will be pleased to answer any questions you may have regarding the Conference, and provide guidance on how to navigate through the Conference Program during the week. All women engineers, early career engineers and students are welcome and encouraged to attend this event.

****This is a free event for all conference registered
early career + women engineers and students.****
