\$32 – Adults  
\$28 – Seniors/Students/Kama’aina Military  
FREE – Children under 8yrs old

**\*\*\*ASME CONFERENCE GUEST will need to provide their own transportation to NELHA facility.  
Registration solely done through NELHA.\*\*\***

Come see, experience and learn about the Natural Energy Laboratory of Hawaii Authority (NELHA), upclose. You will learn about the uniqueness of the NELHA campus, visit the Ocean Thermal Energy Conversion Tower (OTEC), possibly the NELHA lab and two sustainable aquaculture facilities- Kampachi (fish) Farms and Big Island Abalone. You will learn about innovative ocean technologies, renewable energy and even get to sample some grilled abalone at the end!

Reservations can be made online at [www.friendsofnelha.org](http://www.friendsofnelha.org), or by calling the office at (808) 329- 8073.

Reservations are required, as we must have a limit to fill tour spaces.

\*\*Highly advised to bring a hat, water and wear sunscreen during the tour.
