ASME 2016 PVP

Pressure Vessels & Piping
Conference / *Celebrating 50 Years*

CONFERENCE
July 17 - 21, 2016

Vancouver, BC, Canada

Gain brand visibility with an ASME Pressure Vessels & Piping Conference Sponsorship.

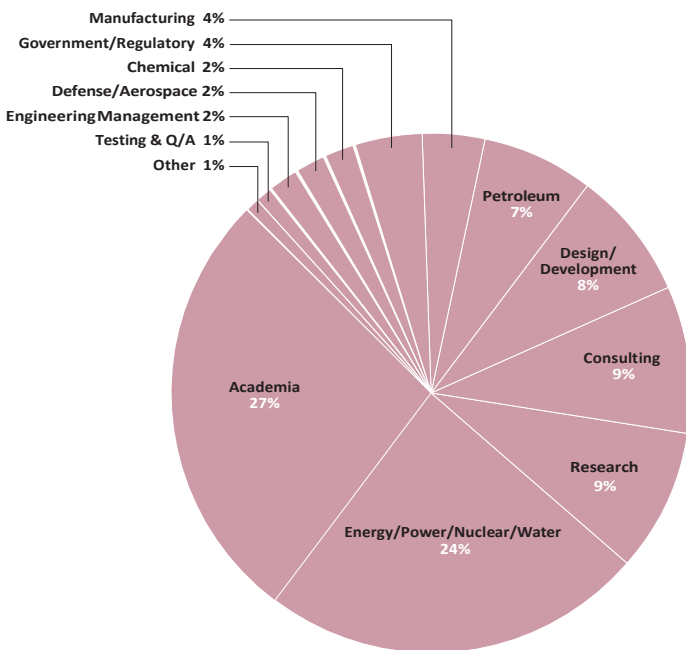

When you join us in Vancouver for the 50th anniversary of the ASME Pressure Vessels & Piping Conference, you'll rub shoulders with colleagues representing more than a dozen international industries. Imagine what you'll learn from the 180+ paper and panel sessions, tutorials, the Technology Demonstration Forum and the 24th Rudy Scavuzzo Student Paper Symposium and Competition.

You'll be presenting your ideas and networking with diverse colleagues as we work to advance PVP technologies in ASME's global community. What better event to develop opportunities than a conference that is

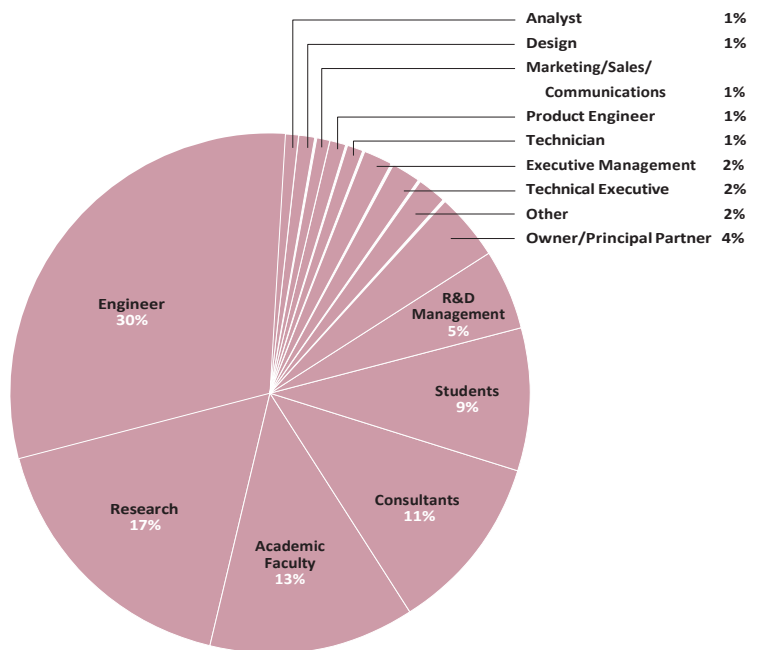

renowned for fruitful exchanges of ideas and innovation with eager participants from 40+ countries around the world.

Technical areas will include developments in Codes & Standards; design methodologies including elastic-plastic analysis, non-destructive examination, fitness-for-service, operation and maintenance, fatigue including environmental, stress corrosion, residual stresses, fracture toughness, elevated temperature components, dynamically loaded structures, flow-induced vibration and risk-based assessments.
