Insurance Requirements

All Exhibitors shall obtain and keep in force from June 16 - June 21, 2019, policies of General Liability and Property Insurance in an amount not less than \$1,000,000 Combined Single Limit for personal injury and property damage.

If alcoholic beverages are to be served in exhibitor's booth, it is recommended exhibitor carry proof of liquor liability insurance.

To insure that the Certificate of Liability Insurance has the correct information required, please make sure your certificate includes the following information:

Under Description of Operations, it needs to include:
ASME Gas Turbine Segment, GES, Phoenix Convention Center, Phoenix, Arizona, June 17-21, 2019.

Under the certificate Holder, it should include
ASME Gas Turbine Segment
ASME TURBO EXPO 2019
11757 Katy Freeway, Ste 380
Houston, TX 77079 USA

No Exhibitor may allow any article to be brought into the facility or do anything to the premises that will void or increase the premiums on the insurance policies of the Convention Center, or permit anything to be done by employees which would injure, maim or deface the premises. Violations of this rule will annul the lease and the Exhibitor will forfeit all fees, which have been paid to ASME for rental of exhibit space. Furthermore, Exhibitor must agree to reimburse the Convention Center for the cost of repairing any damage.

Return a copy of the certificate to ASME by [email](#). Contact [ASME](#) with any questions.
