

B4.2 NOMINATING COMMITTEE

B4.2.1 The Nominating Committee is charged with the responsibility of nominating members of experience, high standing, and active participation in the work of the Society to those offices specified in Article C4.1.8 of the Constitution. These nominees may be selected from proposals by various units or by individual members in the Society or from the Nominating Committee's own deliberations as it sees fit.

B4.2.2.1 Election to the Nominating Committee takes place at Business Meetings of the Society. At the second Business Meeting of the fiscal year, the President shall present the names of those recommended pursuant to By-Law B4.2.2.3, as applicable, for election to the Nominating Committee. In the event any vacancies occur following that meeting, the President may present the names of those recommended pursuant to By-Law B4.2.2.3, as applicable, for any Nominating Committee vacancies at the first Business Meeting of the new fiscal year. The voting members of the Nominating Committee shall be elected for two years and alternates for one year.

Elected voting members and alternates shall begin their terms at the close of the Business Meeting at which they are elected.

Terms of voting members and alternates will normally end at the close of the Nominating Committee Selection Meeting. However, if the work of a particular Nominating Committee is not finished by that time, terms of that committee will continue until the selection process for which that committee is responsible has been completed.

B4.2.2.2 The Nominating Committee shall consist of voting members and alternates selected by each sector. The TEC Sector shall have five voting members and five alternates selected by the TEC Sector Council. Voting members and alternates shall be of the Member or Fellow grade and not currently serving in any elective office of the Society.

At the option of the committee, they may also be present during the casting of votes for the slate of nominees, although they shall remain impartial and not communicate to the Nominating Committee their opinions regarding any Proposed Nominee. The functions of this group shall be:
- a. to acquaint the Nominating Committee of the short and long range Society plans;
 - b. to make available their experience in, and their knowledge of the requirements for Society offices;
- B4.2.3.1 If a voting member is unable to serve, then an alternate will be identified by the sector from its pool of alternates. - B4.2.3.2 A person who has been in office as voting member of the Nominating Committee for a term or portion of a term which includes more than one Nominating Committee Selection Meeting is eligible to be proposed for a later term as voting member or alternate only if the later term begins one year or more after the ending of the term in which the person served as a voting member.
- B4.2.4 No voting member or alternate shall be considered for nomination to any elective office (President and Governors) of the Society during a term of office on the Nominating Committee, whether or not it is served.
