

OMAE 2017

Trondheim

36th International Conference on Ocean, Offshore and Arctic Engineering

Sponsor Prospectus

Dr. Bernt J. Leira

Dr. Atle Minsaas

Dr. Dominique Roddier

THE OMAE 2017 CONFERENCE Organizing Committee is pleased to invite you to participate in the sponsoring program of the 36th International Conference on Ocean, Offshore and Arctic Engineering (OMAE 2017).

The conference is staged in partnership between the Ocean, Offshore and Arctic Engineering (OOAE) Division of The American Society of Mechanical Engineers (ASME), MARINTEK and the Norwegian University of Science and Technology (NTNU). The conference will provide an excellent opportunity to promote your company through sponsorship and participation as an exhibitor, all in the unique and historical setting of Trondheim, Norway from June 25-30, 2017. Since 2003, the OMAE conference has more than tripled in size, with over 1,000 participants at OMAE 2015 in St. John's, Canada and over 775 participants at OMAE 2016 in Busan, Korea. We expect OMAE 2017 to attract between 900 and 1,000 participants.

The OMAE conference is co-sponsored by over thirty international professional societies, many of whom actively promote the OMAE conference to their membership, widening the reach of the conference and your sponsorship.

Trondheim is Norway's third largest city and historical capital. Trondheim represents academic eminence in technology and natural sciences. Well known as city of education and research, it is an excellent location to meet and engage with academics and future leaders in Offshore Technology.

Your Opportunity

You will find a wide variety of Sponsor opportunities available at the conference in this prospectus, and we encourage you to consider sponsoring a range of activities to provide maximum exposure for your company. Some opportunities are limited and are available on a first come, first serve basis.

If you do not see a sponsorship opportunity that interests you, please enquire about a customized partnership. How can we help you to realize your sponsorship objectives?

If you wish to purchase a sponsorship or a booth, or have any questions regarding the opportunities, please contact Bernadette Gessler by email at omae2017@seatoskymeetings.com.

Join us as a Sponsor to reach the world's leading offshore specialists in beautiful Trondheim, Norway in June 2017.

Kind regards,

Bernt Leira

Prof. Bernt Johan Leira, Conference Chair
Department of Marine Technology
Norwegian University of Science and Technology (NTNU)

Conference Fact Sheet

THE CONFERENCE: OMAE 2017 is the annual conference of the Ocean, Offshore and Arctic Engineering Division of ASME.

DATES: June 25–30, 2017

VENUE: Clarion Hotel & Congress Trondheim, Trondheim, Norway

ATTENDANCE: 900–1000 ocean, offshore and arctic professionals from the scientific and industrial communities from over 40 countries

AUDIENCE: The annual OMAE conference is an international assembly of engineers, researchers, technical specialists and students in the fields of ocean, offshore and arctic engineering.

Participants are involved in all aspects of ocean, offshore and arctic engineering from the development of new technologies to deepening existing know-how and reducing environmental impact.

The conference is an opportunity to exchange ideas on the advances in technology and its scientific support.

CONFERENCE SOCIAL EVENTS

- Welcome Reception
- Conference Banquet
- Awards Lunch
- Technical Session Organizers Lunch
- Two Networking Lunches
- Afternoon Drinks

TECHNICAL PROGRAM

The OMAE 2017 technical program will follow the tradition of excellence in previous OMAE conferences. The following 10 standard symposia and 2 special symposia are planned:

STANDARD SYMPOSIA

Offshore Technology
Structures, Safety and Reliability
Materials Technology
Pipelines, Risers, and Subsea Systems
Ocean Space Utilization
Ocean Engineering
Polar and Arctic Sciences and Technology
Ocean Renewable Energy
Offshore Geotechnics
Petroleum Technology

HONORARY SYMPOSIA

Professor Torgeir Moan Honoring Symposium
CFD and VIV Champions Honoring Symposium for Prof. Carl Martin Larsen (VIV) and Dr. Owen Oakley (CFD)

Booth in Exhibition Hall

Cost: \$3,500 USD (excluding VAT)

An exhibition booth at the OMAE 2017 Conference is a fantastic opportunity for your business to promote itself among the preeminent professionals and academics in the ocean, offshore and arctic engineering fields. The booths will be located in a part of the conference that receives the maximum traffic. Benefits include:

- 3M wide by 3M deep exhibition booth in the main conference area
- 100 word company description and logo recognition in the conference program.
- Company logo and link on the official OMAE 2017 Conference website.
- The purchase of one booth includes admission for two exhibit staff to four Conference lunches, the Welcome Reception and the Conference Banquet, as well as admission for one of the two staff to attend the technical sessions.

Outreach for Engineers

The Outreach Program is designed to appeal to students studying in the fields of ocean, offshore and arctic engineering and to familiarize those who aren't as yet involved in the industry. The majority are graduate students who have worked on a paper being presented. The program's primary goal is to encourage all to choose a career path in the industry.

The Outreach activities usually include a team-building activity, welcome reception, speaker program and a wrap-up breakfast. Students are encouraged to attend the entire conference in addition to the special Outreach Programs. Students must apply to be accepted into the Outreach Program with the

organizing committee reviewing their applications. There are grants offered for some students to attend the Outreach Program as well as the conference. Sponsorship allows for more students to attend the conference and to improve the Outreach Program.

Cost: \$5,000 USD (excluding VAT) (multiple opportunities)

Sponsor Benefits include:

- Organization logo on Outreach Program website
- Organization logo in the conference program
- Opportunities to meet with student attendees.
- Opportunities to engage students and be recognized at Outreach Program activities.
