ORGANIZATIONS HOLDING AUTHORIZED INSPECTION AGENCY
CERTIFICATES OF ACCREDITATION

NOTES:  1) This document is an unofficial listing of the holders of Authorized Inspection Agency (AIA) Certificates of Accreditation. As the status of this list changes constantly, caution is suggested in its use. To verify the organization’s current status, visit the Certificate Holder Search webpage: http://caconnect.asme.org/CertificateHolderSearch/Index
2) With the exception of AIA’s listed under the classification “Jurisdictional Authorities”, most AIA’s have regional offices throughout the world. Contact the person identified as the point of contact in this listing or visit their website to determine if the organization is capable of providing BPV Code inspection activities in your region.
