COMPANIES HOLDING RTP CERTIFICATES OF AUTHORIZATION

Cautionary Note: *This document is an unofficial listing of the holders of RTP Certificates of Authorization. As the status of this list changes constantly, caution is suggested in its use.*

October 2014

AN-COR INDUSTRIAL PLASTICS, INC.

100 Melody Lane
North Tonawanda, New York 14120
RTP-001

Expires: July 23, 2017

Scope: Fabrication of reinforced thermoset plastic corrosion resistant vessels through shop fabrication, field fabrication, field assembly and field repair (for new construction prior to being placed in service) using hand lay-up, spray-up and filament winding fabrication methods

AUGUSTA FIBERGLASS

86 Lake Cynthia Road
Blackville, South Carolina 29817
RTP-009

Expires: December 29, 2016

Scope: Fabrication of reinforced thermoset plastic corrosion resistant vessels through shop fabrication, field assembly and field repair (for new construction prior to being placed in service) using hand lay-up, spray-up and filament winding fabrication methods

BELCO MANUFACTURING COMPANY

2303 Taylor's Valley Road
Belton, Texas 76513
RTP-014

Expires: November 15, 2016

Scope: Fabrication of reinforced thermoset plastic corrosion resistant vessels through shop fabrication, field assembly and field repair (for new construction prior to being placed in service) using hand lay-up, spray-up and filament winding fabrication methods

COMPOSITES USA

One Peninsula Drive
Peninsula Industrial Park
North East, Maryland 21901
RTP-32

Expires: July 9, 2016

Scope: Fabrication of reinforced thermoset plastic corrosion resistant vessels through shop fabrication and field repair (for new construction prior to being placed in service) using hand lay-up, spray-up and filament winding fabrication methods

DIAMOND FIBERGLASS

1036 Industrial Park Drive
Victoria, Texas 77904
RTP-017

Expires: November 4, 2015

Scope: Fabrication of reinforced thermoset plastic corrosion resistant vessels through shop fabrication, field assembly and field repair (for new construction prior to being placed in service) using hand lay-up, spray-up and filament winding fabrication methods

ERSHIGS, INC.

12050 Interchange Drive
Grand Bay, Alabama 36541
RTP-012

Expires: January 20, 2017

Scope: Fabrication of reinforced thermoset plastic corrosion resistant vessels through shop fabrication, field assembly and field repair (for new construction prior to being placed in service) using hand lay-up, spray-up and filament winding fabrication methods

ERSHIGS, INC.

742 Marine Drive
Bellingham, Washington 98225
RTP-005

Expires: January 4, 2015

Scope: Fabrication of reinforced thermoset plastic corrosion resistant vessels through shop fabrication, field fabrication, field assembly and field repair (for new construction prior to being placed in service) using hand lay-up, spray-up and filament winding fabrication methods

PLANT MAINTENANCE SERVICES

228 W. Industrial Park Road
Harrison, Arkansas 72601
RTP-015

Expires: December 23, 2014

Scope: Fabrication of reinforced thermoset plastic corrosion resistant vessels through shop fabrication, field assembly and field repair (for new construction prior to being placed in service) using hand lay-up, spray-up and filament winding fabrication methods

COMPANIES HOLDING RTP CERTIFICATES OF AUTHORIZATION

September 2013

PLAS-TANKS INDUSTRIES, INC.

39 Standen Drive
Hamilton, Ohio 45015
RTP-016

Expires: August 1, 2015

Scope: Fabrication of reinforced thermoset plastic corrosion resistant vessels through shop fabrication, field fabrication, field assembly and field repair (for new construction prior to being placed in service) using hand lay-up, spray-up and filament winding fabrication methods

RL INDUSTRIES, INC.

9355 Le Saint Drive
Fairfield, Ohio 45014
RTP-013

Expires: April 13, 2016

Scope: Fabrication of reinforced thermoset plastic corrosion resistant vessels through shop fabrication, field fabrication, field assembly and field repair (for new construction prior to being placed in service) using hand lay-up, spray-up and filament winding fabrication methods; and fabrication of reinforced thermoset plastic corrosion resistant vessels with dual laminate linings (Classification A) through shop fabrication, field assembly and field repair (for new construction before being placed in service) and field fabrication

XERXES CORPORATION

A Subsidiary of ZCL Composites Inc.
1210 N. Tustin Avenue
Anaheim, California 92807
RTP-011

Expires: September 19, 2015

Scope: Fabrication of reinforced thermoset plastic corrosion resistant vessels through shop fabrication, field assembly and field repair (for new construction prior to being placed in service) using hand lay-up, spray-up and filament winding fabrication methods

ZCL Composites Inc.

ZCL Corrosion
3608-69 Avenue
Edmonton, Alberta T6B 2V2
Canada
RTP-020

Expires: April 27, 2015

Scope: Fabrication of reinforced thermoset plastic corrosion resistant vessels through shop fabrication, field assembly and field repair (for new construction prior to being placed in service) using hand lay-up, spray-up and filament winding fabrication methods
